

THE MORGAN ADAMS CONCOURS D'ELEGANCE

A “Wheels and Wings” event to benefit pediatric cancer research

We are thrilled to invite you to consider joining us at the 18th Annual Morgan Adams Concours d'Elegance, one of the most unique and diverse concours events in the western United States.

Alongside an array of some of the finest vintage and exotic motorcars, this event also showcases extraordinary collectible historic aircraft and motorcycles.

The Morgan Adams Concours d'Elegance is the signature event of The Morgan Adams Foundation, a nationally recognized pediatric cancer research organization headquartered in Denver, Colorado. Our event was started in 2003 as a charity fundraiser intended to increase the funds available to further the organizational mission: funding critically needed new treatment options for kids, teens, young adults with cancer.

Thank you so much for your partnership and your support in making the 2021 event BIGGER and BETTER than ever.

Your active participation in and support of this event is truly life-saving. We would love to have you join us!

As you know, our Static Display Collection rotates each year, offering our guests the opportunity to see vehicles rarely seen. The event also features a small aerial demonstration, a live and silent auction, and a “walk about” tasting feast. We draw more than 1,500 guests to this fantastic night - known philanthropists, industry enthusiasts, and collectors from across the region and country come together on one very special evening.

This year's event will return to its usual timeframe and will take place on **August 21st, 2021 from 6-10pm** at Centennial Airport in Englewood, Colorado.

As of this mailing, Colorado has returned to an “ALL CLEAR” status regarding Health and Safety Guidelines, but please rest assured we continue to monitor all mandates and are planning an attentive and safe event. **To help us with our planning, please submit your application by June 30th, 2021** in order to allow the Selection Committee adequate time to build out the 2021 Static Display Collection.

Thank you, and we look forward to seeing you in August!

The Morgan Adams Concours d'Elegance displays motorcycles selected by committee. Through our show collection, we strive to represent the full production history of the aviation, automotive, and motorcycle industries, focusing on rarely seen, low production collectible machines. Many factors are taken into consideration each year; the following information and guidelines are offered to help clarify the consideration given to each motorcycle.

Motorcycles are to be 'original' in nature. They can be restored to original configuration or presented as they left the manufacturer's immediately post-production. Motorcycles should be well preserved or in excellent restored condition. At this time, replicas, clones, or tributes of original motorcycles cannot be accepted. A limited number of "barn find" motorcycles in original condition may be considered. The Morgan Adams Concours places a special emphasis on rare motorcycles with low production numbers but may accept other models if they add a sense of completeness and balance to the annual Static Display Collection. If you have shown a motorcycle with us before, we encourage you to bring a different motorcycle so that our generous guests can see something they have not seen before. *It is our goal that motorcycles not be shown more than once every three years.*

If you have been invited to apply as an exhibitor at The Morgan Adams Concours, please note the following:

- **Please return your completed application no later than JUNE 30th, 2021; however please submit your application as soon as possible!** Each marque or class, depending on year, is limited to a pre-determined number of show cars. The Morgan Adams Concours prefers to present a wide-ranging collection, so your early reply enables us to balance between marques and production periods, and affords us the opportunity to round out various categories where needed.
- **Please submit applications by MAIL: The Morgan Adams Foundation 5303 E. Evans Ave., Suite 200 Denver, CO 80222; by EMAIL: Exhibit@MorganAdamsFoundation.org; or by FAX: (303) 758-2134**
- Please complete a separate application for each motorcycle that you are interested in showing.
- Please make sure all fields on the attached ***Exhibitor Application*** are completed and legible.
- If the motorcycle ***has not*** been previously shown at this event, please submit exterior photos and at least one interior photo of your motorcycle with your application. *Due to the volume received, photos cannot be returned. Photos are for staff use only and will not be shared.*
- Include a brief description of the motorcycle (150 words or less). *If the motorcycle has been shown in prior years, please note so on your application. We will be in touch with you to confirm the accuracy of any biography we may have on file.*
- Please contact the MAF office with questions by calling 303-758-2130.

2021 Award Information

As The Morgan Adams Concours is first and foremost a charity fundraiser, we do not host traditional formal judging by class or marque. If you would like your vehicle to be eligible for one of the following awards, please so indicate on the attached **Exhibitor Application**.

Five awards will be presented the night of the event:

The Joshua L. English Award: Best Automobile

The Hagerty Classic - Ambassadors' Choice Award

This award is very near and dear to our hearts as it is chosen by a panel of Morgan Adams Ambassadors. These brave representatives are kids who are fighting or have beaten cancer.
